

WRITTEN FEEDBACK GUIDE

Affirm * Educate * Encourage

BEGIN — Commend strengths. Find at least two. Be specific.

MIDDLE — Suggest ways to improve the project, do better next time. Be respectful. Be helpful. Be kind.

FINISH — Wrap up with a positive.

Writing Prompts

Positives

- Your passion for your project really shows!
- You show good understanding of X.
- I like the way you handled Y.
- Well-written.
- Your hard work really shows.
- Excellent use of technology/artistry/creativity.
- Nice job on your annotations/graphics/choice of quotes.

Constructive Criticisms

- I wanted to hear more about...
- Your argument would be stronger if...
- Explain XYZ in more detail.

Comments Pertaining to the Interview

- Excellent fund of knowledge during the interview.
- It was clear during the interview that you understood XYZ, but you need to include that information in your project.
